ABOUT ME

Hi! I'm an original pop/rock singer, songwriter, and musician from Maryland. I've written and recorded over 100 songs to date. My songs have been featured on compilation CDs with Iggy Pop, The Thrills, O.A.R., Al Green, The Bloody Lovelies, etc., as well as on internet radio stations across the globe. I began my music career as the lead singer and bass player for the alternative rock band SmudgeProof in 1999. And more recently, I teamed up with vocalist and songwriting talent Cyrus Keefer and vocalist Kayla Rae, to form the band Airwaves Spectacular! These days, I play shows in the DMV Mid-Atlantic area. I have played at the Hard Rock Cafe Baltimore, Frisco Tap House, Power Plant Live, Linganore Winery, Rockwell Brewery, Island Green, Liquidity Aleworks, Sonoma's, The Stables, Twain's Tavern, The Vine on Main, Union Jack's, etc.

WHAT TO EXPECT

Whether you prefer the soothing melodies of acoustic guitar accompanied by vocals or the brimming sounds of a full band, I've got you covered! I specialize in a diverse range of Pop Rock songs spanning the '60s, '70s, '80s, '90s, and contemporary hits! Armed with professional sound equipment, I can perform in cozy corners or rock out in large venues. I am professional, friendly, reliable, and fun!
